## Our People

Meet our amazing volunteer –  
Genie (Regena).

Genie has been volunteering with Sula since coming along to one of our volunteer meetings and has been a very valued member of the Sula's family. Genie assists at the airport when dogs set on a journey to their forever homes. From helping puppies, flight angels, and the airport team, Genie is always there to calm the nervous pups, or help where needed. What started as an airport assistance blossomed to Genie helping at the shelter. Walking the dogs is very appreciated by the Sula team members, and the dogs of course!

Genie thank you for everything you do for The Sula Society and the dogs in our care!

## Basket of Puppies...

Puppies keep coming... Another request for help for 6 innocent souls. Puppies are safe at Sula's vet, and we hope they pull through...

## Educational Sponsorship

The Sula Society is gearing up in collaboration with local schools to offer educational visits and more. We are seeking sponsors for school visits, virtual Sula puppy program, and spay and neuter clinics. The three initiatives allow us to work with the new generation of pet owners and create a change towards animal treatment in Mexico. A 15-minute talk from Sula's own: Roy, and Lisa can make a lasting impact, while a virtual Sula Puppy creates opportunity to practice responsible dog ownership where students care for a puppy with inclusion of veterinary visit, feeding, exercise, and overall care while creating a video diary.

Lastly, each school will be offered the option to host a Spay and Neuter Clinic at their school, where students and their families can bring pets for no charge spay or neuter.

## Sponsor Spay and Neuter Clinic on July 28<sup>th</sup>, 2025

July 28th marks the date where students from one of the schools we are working with can bring their pets for free spay or neuter. The unwanted dog pregnancies create many puppies that are often abandoned and neglected. Rescues struggle with influx of sick puppies, where spay or neuter programs help dogs and their owners. We continue to work with schools and hope to expand the program with your help. To sponsor one dog cost is 500 Pesos, and to sponsor the spay and neuter clinic 15,000 Pesos.

Help us help them by sponsoring dogs spay or neuter or the whole clinic.
